hydrochloride (**zanaflex**) **show up** on a **drug test**? And if it **does**, what **does** it **show up** as? I was wondering because I have random drug testing for my job & my doc gave me these for migraines. well than by Carrie in Birmingham, Al., 07/07/2007.

Zanaflex is not a narcotic and **will not show up** on a **drug screen**, the things they test for on a **drug screen** is for cocaine, narcotics such as percocet,lortab, morphine, thc, ativan, Valium, xanax etc.

Zanaflex is a muscle relaxer and they do not test for that on a **drug screen**, so you have nothing to worry about. Modern Love Modern Love Podcast: Bobby Cannavale Reads 'A Father, a Son and a Fighting Chance' This week, the actor tells the story of a father who. Find user ratings and reviews for Decadron injection on WebMD including side effects and **drug** interactions, medication effectiveness, ease of use and satisfaction.

The MS community has been waiting for the approval of the **drug** Ocrevus (ocrelizumab), which **will** be used to treat patients who have relapsing/remitting MS. URINE control or YOU'RE in control, THAT IS THE QUESTION! or

No: **Tizanidine** doesn't **show up** on drugs of abuse screening. It is a muscle relaxant that isn't a benzodiazepine; the muscle relaxants that do **show up** on **drug tests** are the benzodiazepines..
